## West End Academy Student Driving and General Parking Information

**Please observe the posted speed limit of 5 mph AT ALL TIMES/IN ALL AREAS ON OUR CAMPUS.**

### Student Drivers

Any student driving over the posted speed limit may lose the privilege to drive on campus. Three warnings will be issued, and after these three warnings, the privilege will be revoked. Students must also respect the environment of the school with their music level. Students may not play music in a way that it can be heard outside of the vehicle. Any student blaring music will be given a warning that is equivalent to the warnings issued for speeding. Littering on campus is also prohibited and equivalent warning will be given. Loitering on campus is not permitted. Students may not “hang out” in the parking lot before or after school.

According to the TN 49-6-4204(C) and the Tennessee School Security Act of 1981, West End Academy reserves the right to search any vehicle on campus. By your child driving his/her vehicle on campus, you are giving consent to West End Academy to search the vehicle if reasonable suspicion is had that the child has drugs, alcohol, tobacco products, or weapons in their vehicle. If any of these products are found in your child’s vehicle. The authorities will be notified immediately. Parents will be notified secondarily even if the child is a minor.

### Parent Drop-off and Pick-up

When dropping off or picking up your child(ren) please use the lower staff and student parking lot. You may drive around the circle when dropping off your child, but please do not use this method when arriving to pick-up your child. **YOU SHOULD NEVER BE BLOCKING THE ROAD.** When picking up your child, please park in an unmarked space in the lower parking lot. This will prevent a line of other cars entering the property that may be here for another reason. We want to make sure that children and parents can safely walk through the parking lot at these times. Please be mindful of this as you are backing up and entering/exiting the property.

This is a smoke-free and tobacco free campus. Please refrain from using these products while on our campus.

If you are picking up your child early or dropping them off after the beginning of the school day, you must park and come inside to sign your child in/out.
